

# Maria Montagu

## UI/UX Designer

### About me

With a passion for creating great user interfaces, I bring together my marketing and technical background to design effective and exceptional user experiences.

As a versatile professional in frontend development and UI/UX design, I love learning and collaborating to bring a multidimensional approach to every project I undertake.

### Professional experience

#### UI / UX designer

SYSTRA - MARSEILLE | OCTOBER 2022 - MAY 2023

- Used different UX methodologies to assess different mobility platforms, updated their Design System using Figma and ZeroHeight for documentation.
- Created wireframes, prototypes, and high-fidelity designs using Figma.
- Collaborated with stakeholders to define user requirements and design intuitive interfaces for complex construction applications.

#### Front-end Developer

SUBCLIC - MARSEILLE | JULY 2021 - SEPT. 2022

- Contributed to the development of the Back-office's frontend using a robust tech stack including React.js, TypeScript, Material UI, GraphQL, and Webpack.

#### Customer Success Associate

TRAXENS | SEPT. 2019 - MAR. 2020

- Led project setup and demos for new customers, including CMA CGM and MSC, using Traxens IOT solution as a Customer Success Associate. Provided technical support for smart container projects.

#### Marketing Project Manager

NCC PARTNERS | AUG. 2018 - JULY 2019

- Planned and executed the highly successful International Mobile Gaming Awards event in San Francisco, strategically targeting gaming companies and game developers to foster industry connections and recognition.

#### Marketing Manager

DÉCOUVERTES | JAN. 2017 - JULY 2018

- Implemented effective marketing strategies and streamlined processes by leveraging the HubSpot CRM platform.
